

Prequalification Application Forms and Expiration Dates

Prior to 2014, there was only one long application form for both the initial prequalification application and for annual renewals. **Beginning in 2014**, there are two prequalification application forms. One is the Long Form, *SCDOT Form CA-1L*, and the second is the Short Form, *SCDOT Form CA-1S*. **The Long Form is used for all first-time applicants**, but for annual renewals, the Contractor uses the Long Form or Short Form in alternating years in accordance with the table below:

Required Application Forms and Prequalification Certificate Expiration Dates for the Renewal of Prequalification Certificates Beginning in 2014
