

# SOUTH CAROLINA TRUCK ROUTE MAP APPLICATION

Must travel only on designated routes specified on the South Carolina Overweight Truck Route Map.

Line breaks along routes are not approved for travel.

Printed copies of all four (4) quadrants of the Overweight Truck Route Map must be attached to the permit and carried in the vehicle at all times otherwise the permit and/or map is null and void.

It is the responsibility of the driver to reprint the map every 30 days after issuance to acknowledge any changes to routes.
