

SCDOT
NOTICE TO POTENTIAL PROPOSERS
I-20 OVER WATEREE RIVER AND OVERFLOWS

SCDOT will hold an open-forum meeting on March 24, 2022 at 1:00 pm with prospective proposers interested in submitting responses to the upcoming Request for Qualifications for the I-20 EB & WB over Wateree River and Swamp Overflow Bridge Rehabilitation/Replacement design-build project in Kershaw County, SC. The purpose of this meeting will be to gather information on design-build industry's interest in the project and to improve the design-build industry's understanding of the project requirements. SCDOT will reserve 60 minutes for this open-forum meeting to be held via Microsoft Teams video conferencing. This meeting is not mandatory and will not have bearing on the potential short-listing process.

Anticipated Procurement Type

SCDOT plans to utilize a two-phase design-build selection procedure. A best value procurement is anticipated using a weighted criteria formula.

Anticipated Scope of Work

The South Carolina Department of Transportation (SCDOT) proposes to replace the I-20 EB & WB bridges over the Wateree River and do rehabilitation on the I-20 EB & WB Wateree Swamp Overflow bridges.
