RE: Notice to Proposers  
Interstate 77 Widening and Rehabilitation from MM 15-MM 27  
Project ID P027002 – Richland County

To whom it may concern:

This notice is to inform you of a change to the milestone schedule as presented in the Request for Qualifications (RFQ) released on October 23, 2014. The RFQ states that SCDOT will issue the RFP for Industry Review on April 10, 2015. In order to finalize the technical reports and environmental studies, this release date has been moved to May 27, 2015. Our intent is to still release the Final RFP in July 2015 and to maintain the other milestone dates as much as practical. The revised milestone schedule will be included in the RFP for Industry Review.

If you have any questions or concerns, please do not hesitate to contact me at 803-737-1805.

Sincerely,

A handwritten signature in black ink that reads "Jae Mattox III". The signature is written in a cursive style with a large initial "J" and "M".
