Section 1: All contractors and subcontractors identified in the plan as co-permittees must sign a copy of the certification statement below:

"I certify by my signature below that I participated in a pre-construction conference onsite with the individual who is responsible for the operational control of the Storm Water Pollution Prevention Plan (SWPPP) and I accept the terms and conditions of the SWPPP as required by the general National Pollutant Discharge Elimination System permit (NPDES permit number SCR100000) issued to the owner/operator of the construction activity for which I have been contracted to perform construction related professional services. Further, by my signature below, I understand that I am becoming a co-permittee with the owner/operator and other contractors that have become co-permittees to the general NPDES permit issued to the owner/operator of the facility for which I have been contracted to perform professional construction services. As a co-permittee, I understand that I, and my company, as the case may be, am legally accountable to the SC Department of Health and Environmental Control (DHEC), under the authorities of the CWA and the SC Pollution Control Act, to ensure compliance with the terms and conditions of the SWPPP. I also understand that DHEC enforcement actions may be taken against any specific co-permittee or combination of co-permittees if the terms and conditions of the SWPPP are not met. Therefore, having understood the above information, I am signing this certification and am receiving co-permittee status to the aforementioned general NPDES permit."
