and others.

Said right-of-way to have a width of 66 feet, that is 33 feet on each side of the center line of the Highway except where a greater width is necessary for short distances on account of large cuts or fills and drainage structures.

This easement is executed with the provision that all

"Special Provisions:"

buildings, fences, or other obstructions now located within the right of way herein conveyed, but outside the actual lines of construction, are not to be removed until such a time as the Highway Department may deem it necessary. The grantor, his heirs and assigns, hereby agrees not to erect obstructions within the limits of the right of way herein conveyed.

Together with, all and singular, the rights, members, hereditaments and appurtenances thereunto belonging, or in any wise incident or appertaining. It is agreed that buildings, fences, signs or other obstructions will not be erected by me (or us), my heirs, assigns or administrators within the limits of the right-of-way herein conveyed and that such buildings and fences as are now within the limits of the right-of-way herein conveyed will be moved from the right-of-way and restored in as good condition as before moving at the expense of the State Highway Department of the State of South Carolina.

TO HAVE AND TO HOLD, all and singular, the said right-of-way and the rights hereinbefore granted, unto the said South Carolina State Highway Department, its successors and assigns forever.
