Re: SDCOT Project 2114-W-4
Subsurface Utility Engineering Quality Level D (SUE QL-D) Certification Letter
S-174 Bridge over Six and Twenty Creek
Anderson County, South Carolina

Dear Mr. Dawson,

I certify that the SUE QL-D utility data contained in Microstation drawing titled u174pp.dgn transmitted to SCDOT on March 27, 2020 is in general accordance with ASCE Standard 38.02 "Standard Guidelines for Collection and Depiction of Subsurface Utility Data."

Yours very truly,

Scott D. Carney
Director
