Who Must Complete a Contractor Certification Form

Prime Contractors who have been contracted by the South Carolina Department of Transportation (SCDOT) to perform work on a project permitted under SCR160000 must complete this Contractor Certification Form before performing any land-disturbing activities at the construction site. Contractor Certification Forms do not require SCDHEC Department approval; however, this form must be signed, dated, and submitted by the contractor to SCDOT prior to commencement of any land-disturbing activities by the contractor.

General Guidance for this Form

Are there Other Requirements for Contractors Completing this form?

Contractors completing this form must also attend a pre-construction conference, and sign and date this Contractor Certification Form for each project or construction site where they will be performing construction activities. A Contractor cannot work at a construction site until they sign this certification form and attend the Pre-Construction Conference held for the project or construction site.

What Does This Certification Mean?

Upon *signing* this certification, the contractor is accountable to DHEC to ensure the terms and conditions of the approved Stormwater Pollution Prevention Plan (developed for the respective construction project or site) and the Construction General Permit (CGP) are implemented and adhered to in the respective area(s) of the plan where each contractor and/or company signing this form will be performing work. The contractor becomes subject to DHEC enforcement actions if permit conditions are not met. **See Sections 2.2.3 and 2.3.2 of the 2012 CGP for additional information.**

Should the Owner/Operator Retain This Form?

The Owner/Operator of the construction site must retain completed Contractor Certification Forms with the approved On-Site SWPPP. This form must be retained for at least three years from the date permit coverage expires or is terminated.

Instructions for Completing this Form

Please print legibly and complete all spaces on the form. Abbreviate if necessary to stay within the space allowed for each item and submit the completed form to the Owner/Operator for the specific project or construction site listed in Section A.

Section A - Project Information

Provide all requested information. Enter the date, NPDES coverage number, and Tracking No. provided by the Department for the approved SWPPP. Enter the official or legal name of the project or site, as approved by the Department. Provide the name of the Owner/Operator.

Section B – Contractor Information

Provide your legal name and title/position. As applicable, provide the legal (formal) name of the company, firm, public organization, or any other entity (you are employed by or represent) on whose behalf you will be performing contractor construction activities. Provide **your** mailing address, telephone and e-mail address. Briefly describe construction-related duties and responsibilities you or your company will perform for this project at the construction site.

Section C – Contractor Certification Statements & Agreement

Read the certification statements (in entirety). Provide your printed name and title or position. Date and sign the certification agreement. Return the signed and dated form to the Owner/Operator. **DO NOT SIGN IN BLACK INK.** Sign and date the Termination of Contractor Certification Agreement when the services you provide for this project are complete. Return the signed and dated form to the Owner/Operator for record retention as a part of the On-Site SWPPP (OS-SWPPP).
