INSTRUCTIONAL BULLETIN NO. 2001-10

Superseded
by 2003-2

SUBJECT: Design Plans Field Review Title Sheet

EFFECTIVE DATE: June 21, 2001

SUPERCEDES: Instructional Bulletin No. 99-5 "Field Review Plans"

RE: None

Superseded
by 2002-5

The Design Plans Field Review Title Sheet (formally the PS&E Title Sheet) has been revised with additional right of way information. Note the additional choices of using slope permission or covering the slopes with right of way under **Right of Way Recommendations**. Please update this sheet for any projects where the field review has not been made and continue to use this sheet for all future field reviews. The new sheet name is:

English plans: dprev2.dgn

Approved: _____
