INSTRUCTIONAL BULLETIN NO. 95-10

SUBJECT: QUALITY CONTROL/QUALITY ASSURANCE FOR "C" PROJECTS

EFFECTIVE: August 25, 1995

SUPERSEDES: None

RE: Engineering Directive Memorandum PC-27

Design Services Group request that for all "C" projects, only notes, quantity folder and PS&E is needed for the quality control of "C" projects.

Design Services Group will perform the quality control review on CADD and hard copies will be printed only after quality control review is completed and revisions are completed by design squad. Also, it is requested that the Design Squad Leader and Road Design Manager follow Engineering Directive Memorandum PC-27 (Quality Control/Quality Assurance of Road Plans). Review dates should be placed in the blocks at the appropriate locations with CADD and initialed after revisions are completed and plans printed. Plans will then be sent back to the Design Services Group for their signature and for circulation.

Eventually, quality control for all projects will be performed in this manner. You will be advised appropriately.

APPROVED:

E. S. Bogle
Road Design Engineer
