INSTRUCTIONAL BULLETIN NO. 95-18

SUBJECT: Property Data On Bridge Replacement Projects

EFFECTIVE DATE: November 29, 1995

SUPERSEDES: None

RE: None

**Superseded
by 1996-4**

On normal bridge replacement projects it is not necessary to close the property. Show property lines and owner names as you would on secondary projects.

Normal bridge replacement projects are projects where the Bridge Project Manager is the responsible engineer. Bridge projects handled by Highway Projects will have their property closed as in the past.
