**INSTRUCTIONAL BULLETIN NO. 95-7**

**SUBJECT:** Preliminary Plans to Environmental Section

**EFFECTIVE DATE:** July 26, 1995

**SUPERSEDES:** None

**RE:** None

Plans for a federal-aid project that are prepared for a PS&E field review offers information pertinent to the tasks performed by the Environmental Section. In response to a Department/FHWA report entitled "A Review of the SCDOT Project Authorization Procedures", Road Design will provide a copy of the PS&E plans to the Environmental Section at the same time that copies of the preliminary plans are sent to the Project Engineer for the field review.

The Environmental Section will identify the potential impact areas on the plans and send them back to Road Design. It will be in the best interest of the Department for Road Design to finalize the plans at these locations first when practical.

**APPROVED:**

E. S. Eargle  
Road Design Engineer
