RE: Port Access Roadway - Design Build Project
Charleston County – Project ID 37345
RFQ Evaluation and Short-List Recommendation

Dear Ms. Lawton:

The South Carolina Department of Transportation (SCDOT) received ten (9) responses to the Request for Qualifications (RFQ) for the above referenced project.

The RFQ Evaluation Committee met July 29th and July 30th, 2015, to review and score the qualification statements. The Federal Highway Administration (FHWA) participated as an advisor during all aspects of the evaluation process. As a result, the committee recommends that three (3) of the nine (9) teams advance to the Request for Proposals (RFP) phase of the selection process.

The three (3) teams recommended for advancement are:

- Fluor Enterprises, Inc. & The Lane Construction Corporation (Joint Venture)
- Skanska USA Civil Southeast, Inc. & PCL Civil Constructors, Inc. (Joint Venture)
- Traylor Bros. Inc. & United Infrastructure Group, Inc. (Joint Venture)

SCDOT is writing to request your agency's concurrence in recommending three (3) teams for advancement to the RFP phase of the selection process. Please indicate your concurrence in the space provided below.

SCDOT looks forward to moving ahead with FHWA on this important project.

Sincerely,

Leland D. Colvin, P.E.
Chief Engineer for Project Delivery

Concurrence w/ Short-list for Port Access Design-Build:

FHWA
