MEMORANDUM TO BRIDGE DESIGN GROUPS AND CONSULTANTS

**SUBJECT: Standardized End Termination Detail For
Column Spiral Reinforcement**

The following detail should be used for termination of spiral reinforcement.

This detail should be used at both ends of each spiral column reinforcing cage, unless required otherwise by design. Designs and plans previously completed need not be revised to comply with this memorandum.

B. A. Meetze, Jr.
Bridge Design Engineer

cc: Assistant Bridge Design Engineers
Design Group Leaders
Consultants
