MEMORANDUM TO GROUP LEADERS AND CONSULTANTS

SUBJECT: Thrie Beam Connector Details

It has been brought to our attention that the present dimensioning shown on Road Standard Drawing No. 805-7, 805-9 and 805-9A for the Thrie Beam Terminal Connector pattern does not correspond with (AASHTO-AGC-ARTBA) TAST FORCE NO. 13 MANUAL.

The attached drawing shows the correct dimensions. Beginning with the September, 1996 Letting, all projects should be detailed using these dimensions.

The affected Road Standard Drawings will be revised and are scheduled for disbursement this fall.

Rocque L. Kneece
Bridge Design Engineer
