

Q & A Generator Installations with Transfer Switches for projects 13201-2026-01, 13203-2026-01, and 12801-2026-01

Q1. For this project what kind of license is needed to bid this project?

A1. You would need an Electrical license.

Q2. Do you have to have an Electrical License or can you be a GC with an electrical subcontractor?

A2. If 40% or more of the work were to fall under a GC's license, then yes, you could be a GC with an electrical subcontractor.

Q3. For these projects I am not finding any bidding documents, just plans. Are there any bidding documents to send in the bids on 9-15-26.

A3. Yes, they have been posted at <https://www.scdot.org/business/procurement-list.html>

Q4. Also, the Invitation says we can email our quotes. Can you please verify that please.

A4. Yes, the quotes can be emailed to MontgomeBA@scdot.org
