

SCDOT/AGC/ACEC Design Build Subcommittee

December 4, 2013

Meeting Minutes

- I. Claude welcomed everyone and had introductions. See attached list of attendees.
- II. Project Updates
 - a. I-85/385 Industry draft review December 20th.
 - b. SC 701 bridges in Georgetown/Horry counties – Feb, March 2014 RFQ
 - c. I-26 rehab in Newberry and Laurens counties RFQ Summer 2014
 - d. I-26 rehab in Lexington and Richland counties FY16
 - e. Bridge Package “E” RFQ in December 2013
 - f. On-Call Design Build Support – surveys, geotech, pipe inspections, etc. December 2013
- III. Team members identified in the RFQ
SCDOT request using R/W firms from their on-call list. Since this is a requirement, why should one have to be identified in the RFQ and RFP submittals. Barbara will review the language in the RFQs.
- IV. Committee Membership changes
ACEC members Freddie Kicklighter and Greg Schuch will be rotating off the committee and Eric Burgess and Rocque Kneece will be joining the committee for 2014. David Glenn will be leaving and will have to be replaced with another SCDOT member.
- V. Open Discussion
SCDOT will be compiling a manual on design build. The Best Practices guide will be used as a building block for the manual preparation. This committee needs to review the Best Practices guidelines at the next meeting.
There was also some discussion on the Notice to Proceed on projects being issued 45 days after the contract execution. Contract execution will occur after commission approval.
- VI. Action Items
Review Best Practices guidelines at the next meeting.
- VII. Meeting dates for 2014
Meeting on the 2nd Wednesday of the odd months.
Next meeting January 8th, 2014 @ 9:00am on the 8th at CR Jackson’s training facility. 100 Independence Ave., Columbia, SC 29210
