- IV. SCDOT Best Practices Memorandum

SCDOT has been charged to develop a Design Build Policy and have it implemented by the end of this year. The Best Practices Memorandum will be used as the skeleton for developing this policy. The Best Practices Memorandum will be distributed to the ACEC and AGC for comments. Rocque Kneece will compile the comments from the ACEC and Danny Shealy will compile the comments from the AGC. Comments need to be received and forwarded to Matt Lifsey and Claude Ipock by February 14th. Need comments concerning areas such as: evaluation process, preliminary information needed, utility reports, ATCs, stipends, quality credits, A+B, technical scoring, confidential meetings, examples from other states, shortlisted firms 3-5, data collection, survey data, resumes' and 330s etc.
- V. Open Discussion

FOI request was discussed by Barbara Wessinger due to a recent law suit. Due to this ruling, SCDOT will have to advertise when the selection committee is meeting. But the meeting will go into executive session to discuss the proposals. Once the recommendation is acted upon by the SCDOT the results will be announced after the award.
- VI. Action Items

Disseminate the Best Management Practices to ACEC and AGC and get comments to Claude and Matt by February 14th.
