RE: Proposed Goodwill Store –
Jamil Road

To Whom it May Concern:

The intent of this encroachment submittal is to get preliminary approval for a new 24' wide access drive on the Lexington County tax parcel 002899-04-053 (currently owned by QuikTrip Corporation). We would like for the Carolina Crossroads project reviewers and the District Engineering office to review the uploaded/submitted site plan and sight distance exhibit for the preliminary approval. Goodwill would like to receive this approval before going forward with the Goodwill store project. If Goodwill decides to go forward with the project and purchase of the property, construction documents will be prepared and the SCDOT encroachment application with required checklist items will be uploaded/submitted for final approval.

If you have any questions or need any further information, please call me at (803) 429-1304.

Respectfully Submitted,
