**Re: Right-of-Way Encroachment for Broad River Rd (US-176)**

Dear Ms. Weber:

MCI Metro Access Transmission Services Corp is proposing to place (1) 30"x60"x30" handhole and directional bore 209' buried (1) 2" HDPE conduit with fiber optic cable within the SCDOT right-of-way.

The following documents have been enclosed for your use.

Right-of-way Encroachment form.  
Continuing Indemnity Bond  
Horizontal Directional Bore Criteria Sheet  
Soil Resources Report with Map  
Traffic Control Plan  
Set of permit drawings for this project

If these plans meet the District requirements, please approve and send a copy to:

Liz Sawyer  
Permitting Coordinator  
Byers Engineering Company  
710 South Marietta St  
Gastonia, NC 28052

If you have any questions concerning this request please contact me at (980) 285-3025 or by e-mail at [liz.sawyer@byers.com](mailto:liz.sawyer@byers.com).

Sincerely,

A handwritten signature in black ink that reads 'Liz Sawyer' in a cursive script.

Elgin, SC 29045

March 9, 2018

To Whom It May Concern:

MCImetro Access Transmission Services Corp. d/b/a Verizon Access Transmission Services ("Verizon") hereby authorizes Quanta Telecom, with its headquarters located at 3975 John's Creek Ct., Suwanee, GA 30024 and designated Point of Contact, Tom Lancaster, Phone: (803) 810-7533, to act as a permitting representative to sign and submit permit applications on behalf of MCImetro Access Transmission Services Corp., a wholly owned subsidiary of Verizon Communications Inc., for the installation of fiber optic cable and telecommunications infrastructure and network connections within the public rights-of-way of the designated cities, towns, counties and municipalities within the state of South Carolina.

Please let me know if there is anything else you might need.

Sincerely,

A handwritten signature in black ink, appearing to read "J. Verre", with a large, stylized loop at the end.
