Project Action Responsibility Matrix

This matrix identifies the Federal-aid highway program (FAHP) project approvals and related responsibilities. The matrix specifies which actions are assumed by the SCDOT pursuant to this Stewardship and Oversight Agreement ("Agreement") and certain other applicable authorities as specified in the tables in this Attachment A.

The SCDOT is responsible for ensuring all applicable elements of the project are eligible for FAHP funding. Where the SCDOT assumes authority to make a decision, approval, determination or action, the SCDOT decision does not constitute an eligibility, obligation, reimbursement, authorization, or compliance decision by or for the Federal Highway Administration (FHWA). Final decisions on those matters must be made by FHWA.
