REQUIRED NOTIFICATION OF ROAD AND BRIDGE CLOSURES

The Contractor is required to provide the RCE written notification of any planned road or bridge closure a minimum of twenty-one (21) days prior to the closure. The written notification is to include the anticipated start and end dates of the closure and detour route and length if applicable.

Fifteen (15) days prior to any road or bridge closure, the Contractor is required to provide advanced notification to the public with changeable message boards, one at each end of the closure, with a message indicating the date of the proposed closure. All costs associated with the changeable message boards providing this advanced notification is to be included in the lump sum Traffic Control bid item.
