ETHICS ACT

By submitting an application, the Applicant certifies that they have and will comply with, and have not, and will not, induce a person to violate Title 8, Chapter 13 of the South Carolina Code of Laws, as amended (ethics act). The following statutes require special attention: Section 8-13-700, regarding use of official position for financial gain; Section 8-13-705, regarding gifts to influence action of public official; Section 8-13-720, regarding offering money for advice or assistance of public official; Sections 8-13-755 and 8-13-760, regarding restrictions on employment by former public official; Section 8-13-775, prohibiting public official with economic interests from acting on contracts; Section 8-13-790, regarding recovery of kickbacks; Section 8-13-1150, regarding statements to be filed by consultants; and Section 8-13-1342, regarding restrictions on contributions by contractor to candidate who participated in awarding of contract. The state may rescind any contract and recover all amounts expended as a result of any action taken in violation of this provision. If contractor participates, directly or indirectly, in the evaluation or award of public contracts, including without limitation, change orders or task orders regarding a public contract, contractor shall, if required by law to file such a statement, provide the statement required by Section 8-13-1150 to the procurement officer at the same time the law requires the statement to be filed. [02-2A075-2]

QUALIFICATION OF APPLICANT

To be eligible for award of a contract, a prospective recipient of State funds must be responsible. In evaluating an Applicant's responsibility, the State Standards of Responsibility [R.19-445.2125] and information from any other source may be considered. An Applicant must, upon request of the State, furnish satisfactory evidence of its ability to meet all contractual requirements. Unreasonable failure to supply information promptly in connection with a responsibility inquiry may be grounds for determining that an Agency is ineligible to receive an award. S.C. Code Section 11-35-1810.

QUALIFICATIONS – REQUIRED INFORMATION

In order to evaluate an Applicant's responsibility, the Applicant may, at the request of SCDOT, submit the following information or documentation for itself and any subcontractor, if the value of subcontractor's portion of the work exceeds 10% of the Operating expenses:

- (a) Include a brief history of the Applicant's experience in providing work of similar size and scope.
- (b) Applicant's most current financial statement, financial statements for your last two fiscal years, and information reflecting your current financial position. If you have audited financial statements meeting these requirements, you must provide those statements. [Reference Statement of Concepts No. 5 (FASB, December, 1984)]
- (c) List of failed projects, suspensions, debarments, and significant litigation.

CERTIFICATION REGARDING DEBARMENT AND OTHER RESPONSIBILITY MATTERS

(a)(1) By submitting an Application, Applicant certifies, to the best of its knowledge and belief, that-

(i) Applicant and/or any of its Principals-

(A) Are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any state or federal agency;

(B) Have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, state, or local) contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, or receiving stolen property; and

(C) Are not presently indicted for, or otherwise criminally or civilly charged by a governmental entity with, commission of any of the offenses enumerated in paragraph (a)(1)(i)(B) of this provision.

(ii) Applicant has not, within a three-year period preceding this offer, had one or more contracts terminated for default by any public (Federal, state, or local) entity.

(2) "Principals," for the purposes of this certification, means officers; directors; owners; partners; and, persons having primary management or supervisory responsibilities within a business entity (e.g., general manager; plant manager; head of a subsidiary, division, or business segment, and similar positions).

(b) Applicant/Subrecipient shall provide immediate written notice to SCDOT if, at any time prior to contract award, Applicant/Subrecipient learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

SFY2025-2026(FFY2023)
LEGAL & AUTHORIZING SIGNATURES
Updated May 28, 2025

(c) If Applicant/Subrecipient is unable to certify the representations stated in paragraphs (a) (1), Applicant/Subrecipient must submit a written explanation regarding its inability to make the certification. The certification will be considered in connection with a review of the Applicant/Subrecipient's responsibility. Failure of the Applicant/Subrecipient to furnish additional information as requested by the State may render the Applicant/Subrecipient non-responsible.

(d) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by paragraph (a) of this provision. The knowledge and information of an Applicant/Subrecipient is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

(e) The certification in paragraph (a) of this provision is a material representation of fact upon which reliance was placed when making award. If it is later determined that the Applicant/Subrecipient knowingly or in bad faith rendered an erroneous certification, in addition to other remedies available to the State, SCDOT may terminate the contract resulting from this solicitation for default.

SUBCONTRACTOR – IDENTIFICATION

If you intend to subcontract with another business for any portion of the work/project and that portion exceeds 10% of your Operating expenses, your application must identify that business and the portion of work which they are to perform. Identify potential subcontractors by providing the business' name, address, phone, taxpayer identification number, and point of contact. In determining your responsibility, the state may evaluate your proposed subcontractors.

DRUG AND ALCOHOL TESTING. Applicants or subrecipients that receive only Section 5310 program assistance are not subject to FTA's drug and alcohol testing rules, but must comply with the Federal Motor Carrier Safety Administration (FMCSA) rule for all employees who hold commercial driver's licenses (49 CFR part 382).

Section 5310 recipients and subrecipients that also receive funding under one of the covered FTA programs (Section 5307, 5309, or 5311) should include any employees funded under Section 5310 projects in their testing program.

An FTA compliant testing program, as required by the receipt of FTA operating or capital funding (5307, 5309, 5311), may be used for Section 5310 employees; there is no need to have separate testing programs. Employees of a subrecipient of Section 5310 funds from a state or designated recipient of another FTA program (e.g., 5307 or 5311) should also be included in the designated recipient's testing program.

DRUG-FREE WORKPLACE

The Drug-Free Workplace Act of 1988, as well as Section 44-107-30, S.C. Code of Laws (1976), as amended, requires all grantees receiving grants from any federal or state agency to certify they will maintain a drug-free workplace.

BUDGET ADJUSTMENTS

(1) Method of Adjustment.
