Plan/Accounting of how these funds will be spent:

Description	Budget	Explanation
Miller Road sidewalk improvements	$500,000.00	Connect sidewalk to existing network for safe, accessible routes
Grand Total	**$500,000.00**	

Please explain how these funds will be used to provide a public benefit:

The City of Mauldin, in cooperation with the Greenville Legislative Delegation Transportation Committee (GLDTC) and CoTransCo, has identified a connectivity solution to plan and install missing segments of safe and accessible pedestrian routes along Miller Road. The first section of the project creates 2,700 feet of new sidewalk from Old Mill Road to Corn Road, to include a pedestrian bridge over Gilder Creek. The second section creates 1,200 feet of sidewalk between Middle Road and Burning Bush Road. These improvements will provide safe alternatives for pedestrians and further connect the community's network of sidewalks.
