Plan/Accounting of how these funds will be spent:

Description	Budget	Explanation

Grand Total	$2,000,000.00	

Please explain how these funds will be used to provide a public benefit

Funding will support the construction of a new emergency access roadway and parking area at Patriot Park, Sumter County's largest outdoor recreational facility. As park participation continues to grow and the newly constructed amphitheater attracts additional visitors and community events, these improvements are essential to ensuring safe, efficient access for residents, visitors, and emergency responders. The new roadway will improve emergency ingress and egress, reduce traffic congestion, and enhance public safety, while the additional parking will accommodate increased attendance and support expanded recreational and community activities. These investments will strengthen Patriot Park's infrastructure, improve accessibility, and ensure the facility can safely serve the growing needs of Sumter County residents for years to come.
