OCONEE COUNTY TRANSPORTATION PLAN
(SCDOT C FUND)

1. OVERVIEW:

- The Oconee County Transportation Committee (OCTC) is composed of three (3) members appointed by the Oconee County Legislative Delegation.
- The OCTC is tasked to work with the South Carolina Department of Transportation (SCDOT), Oconee County, municipalities, and any other agencies to maintain and improve the highways, secondary roads and other transportation needs in Oconee County. The Committee's goal is to provide the best and safest roads and related facilities as possible.
- This transportation plan, as adopted by the OCTC, is submitted to the South Carolina Department of Transportation for its approval in accordance with the provisions of SC Code 12-28-2740 as amended by the 2017 General Assembly.

2. PRIORITIES:

- The goal of the OCTC is to cooperate with the SCDOT, Oconee County, and the municipalities in maintaining and resurfacing existing secondary roads and other transportation facilities in Oconee County.
- For determining the priority of projects, the OCTC will request information from the SCDOT, Oconee County, and local municipalities concerning the condition of secondary roads within the county. In addition, recommendations and requests will be considered from local officials and citizens.
- Equal consideration shall be given to projects located in all regions and communities of Oconee County.
- In Fiscal Year 2020-2021, the OCTC must spend a minimum of 27.3% on state highways located within Oconee County. The remaining 72.7% of the yearly allocation may be expended on local projects.
- Beginning Fiscal Year 2021-2022, the OCTC minimum allocation on state highways will increase to 33% within Oconee County. The remaining 67% of the yearly allocation may be expended on local projects.

3. ADMINISTRATION:

- The OCTC elects and requests that the SCDOT receive and administer funds accrued by Oconee County.

4. DESIGN AND CONSTRUCTION STANDARDS:

- The projects on the state highway system shall be designed and constructed to state standards.

- Any other projects not on the state highway system shall be designed and constructed to standards that equal or exceed those set forth in Oconee County Code of Ordinances, Chapter 26.

5. **REVISIONS TO PLAN**:

- The OCTC will periodically review and revise the County Transportation Plan which will include changes, additions, or deletions. Any revisions will be forwarded to the SCDOT for approval.
